Polperro

“ The growing commoditisation of wines frustrates me. Where is the pleasure in wine that all tastes the same? The wine I love contributes to a proud winemaking tradition because it is true to its origins and has its own character”

-Owner/ Winemaker, Sam Coverdale

Sam Coverdale established Even Keel in 2006 with a vision to create drinkable, elegant wines that surprise and celebrate the individual strengths of Australia's wine regions. Since 2009, he has specialised in premium, single-vineyard wines from the Mornington Peninsula, under the Polperro label. With a focus towards increased vineyard health using a mix of organic and biodynamic principles. Polperro winery is the home for our handcrafted wines.

Wines by the Glass

Sparkling

- NV House of Arras 'Brut Elite', Pipers River, TAS 17
The House of Arras is a true expression of its origin and maker – a marriage of exceptional cold climate Tasmanian vineyards and uncompromising sparkling winemaking techniques mastered over decades. A wine with remarkable brightness of character and structural elegance.
- NV Andre Clouet 'Grande Reserve Brut', Champagne, Fr. 25
A 100% Pinot Noir Champagne, with grapes sourced from Bouzy and Ambonnay in the epicentre of Champagne Fr. The wine is rich in stone fruit and concentrated yet shows lemon blossom freshness.

White

- 2017 Glaetzer -Dixon, 'Uberblanc' Reisling, TAS 13
2017 was a great year for reisling in the Tamar Valley. Winemaker Nick Glaetzer, has produced a delicate fresh and juicy wine. Quite full and round in the mouth, with an off-dry finish and balanced acidity, it concludes with an aftertaste of red apples, honeysuckle, ripe pears and spice.
- 2015 Domaine de la Poultrière, "Truffo", Chenin Blanc, Vouvray, Fr. 15
Vouvray is a cool climate region located on the north shore of the Loire Valley in France, renowned globally for its Chenin Blanc. At Domaine de la Poultrière, the main objective of their winemaking is to showcase the full expression of the vineyards terroir, this cuvée reflects, in particular the clay/limestone soil. Truffo reveals aromas of lemon pith, pear skin, quince and yellow flowers on the nose. The mouth is full and delicate, carried by a pleasant acidity and minerality.
- 2017 Even Keel Pinot Gris, Mornington Peninsula, VIC 11
- 2016 Even Keel Chardonnay, Mornington Peninsula, VIC 12
- 2016 Polperro 'Talland Hill' Chardonnay, Red Hill, VIC 23

2015 Bistologie by Jeff Carrel, Carignan, Roussillon Fr. 13

Jeff Carrel describes himself as an 'eclectic winemaker'. He is part of a new generation of winemakers, that have neither vineyard nor winery.

A medium bodied wine, full of red and black fruits, the wine is fresh and round and the tannins fluid.

2017 Even Keel Syrah, Canberra District, A.C.T. 12

2012 Bogle Vineyard, Cabernet Sauvignon, Sacramento, U.S.A. 16

Cabernet Sauvignon is a grape that takes its own sweet time, slowly lingering to ripen on the vine. We are rewarded by its reluctance. Bogle winemakers have crafted a classic example of this expressive varietal.

Deeply extracted cherry and bright cassis, on both the nose and the palate. With supple earth tones balancing the fruit.

Polperro

Established by winemaker/owner Sam Coverdale, the Polperro Wines are Estate grown on the Mornington Peninsula. The Polperro wines respect winemaking tradition and are produced with the principles of integrity, honesty and sense of place. Every process from the vineyard through to the final wine is carefully considered, nurtured and crafted.

As winemakers and winegrowers, our team is focused on increasing vineyard health using a mix of organic and biodynamic principles. We believe what you put into the vineyards you get back tenfold.

Our wines are sourced from 8 vineyards owned, leased or managed by our viticultural team. Of these vineyard sites, 3 are identified as 'single vineyard sites', due to the high quality of fruit produced and terroir, the special characteristics of the land.

Our single vineyard sites are named after laneways and alleys from our home in Polperro, Cornwall, UK.

Our Single Vineyards

Landaviddy Lane

Landaviddy Lane vineyard is located on Tucks Road in Shoreham. Our Pinot Noir vines were first planted here in 1992, and reside on a gentle southwest facing slope with the vine rows running in a north, northeast direction.

Mill Hill

Mill Hill vineyard is located on Arthurs Seat Road in Red Hill on a north-facing slope with vine rows running due north. At 270m above sea level, this is the highest and one of the more exposed sites in the region. This ensures a long ripening period which creates high levels of natural acidity which persist through to the wine. There are three grape varieties planted on Mill Hill – Chardonnay, Pinot Gris and Pinot Noir.

Talland Hill

Talland Hill vineyard is located on the Polperro property in Red Hill. The vineyard is 170 metres above sea-level, with north facing vines. The Chardonnay greets upon entry to the property with the Pinot Noir vines visible from the bistro deck. Enjoy a fantastic bottle of our Talland Hill, whilst watching the next vintage growing.

Featured Producers

Produttori Del Barbaresco, Italy

Situated due east of Alba in Piemonte, Northern Italy, Barbaresco is one of the country's most notable wine producing regions. The wines are 100% Nebbiolo characterised by their powerful elegant structure typically showing roses, violet on the nose and truffle, cherry and liquorice on the palate. Produttori is one of Italy's most respected cooperatives, set up in 1884, with the founder Domizio Cavazza considered to be the 'Father of Barbaresco'.

Domaine Jean-Jacques Morel, Burgundy, France

Jean Jacques Morel, probably the smallest producer of Burgundy, is part artist, philosopher and vigneron. This humble man approaches the vines with a complete respect for nature. Minimum interference with the natural growth of the vine, miniscule yields and no additives during fermentation, results in unusual and pure wines with personality unlike any other in Burgundy. As the French say 'it is a real coup de coeur' – you will fall in love with this wine.
